## **Computational procedure used to estimate MOH division population**

- (1) GN Division list relevant to each MOH area is updated annually.
- (2) Population estimates and the annual growth rates of Registrar General's Department for the year 2020 were used to derive 2021 mid year population estimates.  
Assumptions :   Population distribution among GN Divisions in 2021 is assumed to be same as 2012.  
                          Age distribution in a district is assumed to be same for all the MOH areas in that district.

## **Note**

- (1) Whereever necessary each figure has been rounded off. For this reason there may be apparent discrepancies between the sum of the constituent items and the total, in some tables.
- (2) Population of RDHS Divisions is based on usual residence. Changes due to resettlements in the Northern and Eastern Provinces after 20.03.2012 are not considered while estimating the population.
